## Declaration of Authorship

I hereby submit the following manuscript for publication in *Pomeranian Journal of Life Sciences*:

**Evaluation of working length determination based on the analysis of cone-beam computed tomographic images and an electronic apex locator: a retrospective study**

by **Krystyna Pietrzycka, Mateusz Radwański, Halina Pawlicka**

I hereby declare that the manuscript has never been published before in whole or in part, is free of plagiarism and self-plagiarism, and has not been submitted elsewhere for publication. All of the authors have actively contributed to the preparation of the manuscript.

I hereby give my consent for the publication of the manuscript in any media type known at the moment of submitting this declaration.
